

# CHILD PROTECTION POLICY

## General Purpose Statement

**The King's Garden Church** strives to provide a safe and secure environment for the children who participate in our programs and activities. By implementing the below best practices, our goal is to protect the children of **The King's Garden Church** from incidents of misconduct or inappropriate behavior while also protecting our staff and volunteers (workers) from false accusations.

## Definitions

For purposes of this policy, the terms "child" or "children" include all persons under the age of eighteen (18) years. The term "worker" includes both paid and volunteer persons who work with children.

## Selection of Workers

All persons who desire to work with the children participating in our programs and activities will be screened. This screening includes the following:

- **Three Month Rule**  
No applicant will be considered for any position involving contact with children until she/he has been involved with **The King's Garden Church** for a minimum of three (3) months. This time of interaction between our leadership and the applicant allows for better evaluation and suitability of the applicant for working with children. Members in good standing with other local churches, upon recommendation of that churches leadership may hold positions involving contact with children in the church.
- **Written Application**  
All individuals seeking to work with children must complete and sign a written application in a form to be supplied by **The King's Garden Church**. The application will request basic information from the applicant and will inquire into previous experiences with children, previous **Church** affiliation, references and employment information, as well as agreeing to receiving a background check for criminal or sexual misconduct. The application form will be maintained in confidence on file at **The King's Garden Church**.
- **Personal Interview**  
Upon completion of the application, a face-to-face interview may be scheduled between the Elders and the applicant to discuss his/her suitability for the position.
- **Reference Checks**  
Before an applicant is permitted to work/supervise children, at least two of the applicants' references will be checked. These references should be of an institutional nature as opposed to personal or family references, preferably from organizations where the applicant has worked with children in the past. Documentation of the reference checks will be maintained in confidence on file at **The King's Garden Church**.

# CHILD PROTECTION POLICY

- **Criminal Background Check**

A national criminal and sexual misconduct background check is required for all employees (regardless of position) and for the following categories of volunteers:

- Those who will be involved in our Sunday School or Nursery;
- Those who will be involved in overnight activities with children;
- Those counseling children;
- Those involved in one-on-one mentorship of children; and
- Those having occasional one-on-one contact with children (such as, church sponsored activities and vehicle drivers).

Before a background check is run, prospective workers will be asked to sign an authorization form allowing the church to run the check. If an individual declines to sign the authorization form, she/he will be unable to work with children.

What constitutes a disqualifying offense that will keep an individual from working with children will be determined by **The King's Garden Elder's** on a case-by-case basis in light of all the surrounding circumstances. Generally, convictions for an offense involving children and/or for offenses involving violence, dishonesty, illegal substances, indecency and any conduct contrary to our mission will preclude someone from being permitted to work with children. Failure to disclose a criminal conviction on the application form will also be a disqualifying event.

The background check authorization form and results will be maintained in confidence on file at **The King's Garden Church**.

## Two Adult Rule

It is our goal that a minimum of two unrelated adult workers will be in attendance at all times when children are being supervised during our programs and activities. Some youth classes may have only one adult teacher in attendance during the class session; in these instances, doors to the classroom should remain open and there should be no fewer than three students with the adult teacher. We do not allow minors to be alone with one adult on our premises or in any sponsored activity unless in a counseling situation.

## Responding to Allegations of Child Abuse

For purposes of this policy, "child abuse" is any action (or lack of action) that endangers or harms a child's physical, psychological or emotional health and development. Child abuse occurs in different ways and includes the following:

- **Physical abuse** – any physical injury to a child that is not accidental, such as beating, shaking, burns, and biting.

# CHILD PROTECTION POLICY

- **Emotional abuse** – emotional injury when the child is not nurtured or provided with love and security, such as an environment of constant criticism, belittling and persistent teasing.
- **Sexual abuse** – any sexual activity between a child and an adult or between a child and another child at least four years older than the victim, including activities such as fondling, exhibitionism, intercourse, incest, and pornography.
- **Neglect** – depriving a child of his or her essential needs, such as adequate food, water, shelter, and medical care.

Childcare workers may have the opportunity to become aware of abuse or neglect of the children under our care. In the event that an individual involved in the care of children at this **The King's Garden Church** becomes aware of suspected abuse or neglect of a child under his/her care, this should be reported immediately to **The Elders of the King's Garden Church** for further action including reporting to authorities as may be mandated by state law.

In the event that an incident of abuse or neglect is alleged to have occurred at **The King's Garden Church** or during our sponsored programs or activities, the following procedure shall be followed:

1. The parent or guardian of the child will be notified.
2. The worker/volunteer alleged to be the perpetrator of the abuse or misconduct will immediately be placed on leave from working with children pending an investigation and instructed to remain away from the premises during the investigation.
3. **The King's Garden Church** will seek legal counsel
4. **The King's Garden Church** will protect the confidentiality (or anonymity) of the victim to the extent possible.
5. Civil authorities will be notified, and **The King's Garden Church** will comply with the state's requirements regarding mandatory reporting of abuse as the law then exists. **The King's Garden Church** will fully cooperate with the investigation of the incident by civil authorities.
6. Our insurance company will be notified, and we will complete an incident report. Any documents received relating to the incident and/or allegations will immediately be forwarded to the insurance company.
7. **The Pastor** will be our spokesperson to the media concerning incidents of abuse or neglect, unless he is alleged to be involved. We will seek the advice of legal counsel before responding to media inquiries or releasing information to the congregation. All other representatives of the church should refrain from speaking to the media.
8. A pastoral visit will be arranged for those who desire it.
9. Any person who is not found innocent of the alleged abuse or misconduct will be removed from their position working with children or youth.

# CHILD PROTECTION POLICY

**The Following Provisions Regarding Child Protection will be Adhered to:**

## **Open Door Policy**

Classroom doors should remain open unless there is a window in the door or a side window beside it. Doors should never be locked while persons are inside the room.

## **Teenage Workers**

We recognize that there may be times when it is necessary or desirable for babysitters (paid or volunteer) who are themselves under age 18 to assist in caring for children during programs or activities. The following guidelines apply to teenage workers:

- Must be at least age 13
- Must be screened as specified above.
- Must be under the supervision of an adult and must never be left alone with children.

## **Sick Child Policy**

It is our desire to provide a healthy and safe environment for all of the children at **The King's Garden Church**. Parents are encouraged to be considerate of other children when deciding whether to place a child under our care. In general, children with the following symptoms should NOT be dropped off:

- Fever, diarrhea, or vomiting within the last 48 hours
- Green or yellow runny nose
- Eye or skin infections
- Other symptoms of communicable or infectious disease

Children who are observed by our workers to be ill will be separated from other children and the parent or guardian will be contacted to request that the child be picked up for the day.

## **Medications Policy**

It is the policy of **The King's Garden Church** not to administer either prescription or non-prescription medications to the children under our care. Medications should be administered by a parent at home. Parents are reminded of our sick child policy.

Exceptions to the medications policy may be granted to parents of children with potentially life-threatening conditions (such as asthma or severe allergic reactions). Parents of such children should address their situation with **The Child Care Leader** to develop a plan of action.

# CHILD PROTECTION POLICY

## Discipline Policy

It is the policy of **The King's Garden Church** not to administer corporal punishment, even if parents have suggested or given permission for it. There should be no spanking, grabbing, hitting, or other physical discipline of children. Workers should consult with **The King's Garden Church Group of Elders** if assistance is needed with disciplinary issues.

## Restroom Guidelines

Children five years (5) of age and younger should use a classroom bathroom if one is available. If a classroom bathroom is not available, workers/volunteers should escort a group of children to the hallway bathroom. They should always go in a group, never taking a child to the bathroom alone. The workers/volunteers should check the bathroom first to make sure that it is empty and then allow the children inside. The workers/volunteers should then remain outside the bathroom door and escort the children back to the classroom. If a child is taking longer than seems necessary, the worker/volunteer should open the bathroom door and call the child's name. If a child requires assistance, the workers/volunteers should prop open the bathroom door and leave the stall door open as they assist the child.

For children over the age of five, at least one adult male should take boys to the restroom and at least one adult female should take girls. The worker/volunteer should check the bathroom first to make sure that the bathroom is empty and then allow the children inside. The worker/volunteer should then remain outside the bathroom door and escort the children back to the classroom.

For the protection of all, workers/volunteers should never be alone with a child in a bathroom with the door closed and never be in a closed bathroom stall with a child. Parents are strongly encouraged to have their children visit the bathroom prior to each class.

## Accidental Injuries to Children

In the event that a child or youth is injured while under our care, the following steps should be followed:

1. For minor injuries, scrapes, and bruises, workers will provide First Aid (Band-Aids, etc.) as appropriate and will notify the child's parent or guardian of the injury at the time the child is picked up from our care.
2. For injuries requiring medical treatment beyond simple First Aid, the parent and/or guardian will immediately be summoned in addition to the teacher's/worker's supervisor. If warranted by circumstances, an ambulance will be called.
3. Once the child has received appropriate medical attention, an incident report will be completed in the case of injuries requiring treatment by a medical professional.

## Training

**The King's Garden Church** will provide training on this child protection policy to all new childcare workers/volunteers and mandated reporter training will also be provided. All workers and volunteers are required to attend this training every two years.
